## Update from KPRDSB

As you may have seen or heard through recent media reporting, the Ministry of Education has reminded School Boards **to be prepared** should a decision be made by the Ministry of Education to extend winter break and move to virtual learning.

It is important to be clear that **no decision** has been made at this time. As such, we look forward to seeing everyone again on Monday, January 4<sup>th</sup>, 2021.

Should things change over the next two weeks, communication will be sent through media reporting, through our School Messenger service, Edsby, web and our new Twitter account.

Whatever 2021 brings, Apsley Central Public School staff are committed to students! We are prepared and ready to support your child's learning.

Have a wonderful, safe holiday!!

♥ Ms. Kostuch
